

## *Floyd Lee - President*

With Memorial Day and our much anticipated Wounded Warrior Shoot just around the corner, I would like to share a couple of items with all club members.

### What Memorial Day Means to Me

America: land of opportunity, home of the brave and free.

Where the American flag and eagle fly for one and all to see.

Our nation's flag ripples proudly in the breeze.

From sunny California to the sandy shores of Maine.

All across America up to the ocean seas.

Many of our brave and patriotic sons and daughters, who fought on foreign shores.

Have now gone to their eternal rest.

On Memorial Day, Americans honor our veterans.

They deserve our praise and glory.

For they are truly our nation's best.

Some made the ultimate sacrifice to keep our country safe and free.

They paid our future obligations in the name of liberty.

Please do not take for granted the legacy they bequeath.

For these brave heroes never heard the words "run" or "defeat".

So always remember and shall we never forget.

To thank our veterans and active service men and women every chance we get.

In 1915, inspired by the poem "In Flanders Fields", Moina Michael replied with her own poem:

We cherish too, the Poppy red

That grows on fields where valor led,

It seems to signal to the skies

That blood of heroes never dies

Things at the club are going great and I wish the same is happening for service members and veterans around the world.

## **David Lawhon-Trap**

Trap season is underway. We have shot 21,040 targets so far this month. 37 shooters attended our first registered trap shoot with Bob Wajda, Monte Dillon, Larry Krause, Dan Howell and myself winning awards locally. Most of the awards went to the Corning, AR bunch.

25 straights for the month:

Kurt Armstrong	3	Mel Ward	5
Ron Crawford	2	Larry Krause	6
Jim Zovac	2	John Segress	6
Bob Wajda	3	Dan Howell	9
David Lawhon	9		

I also got lucky and hit from the 20 yd line in trap league.

Please come out and join us for the May 6 trap shoot, and remember, our benefit match with all proceeds going to the Wounded Warrior Project is June 30. Please give your thanks to Leo Petrino/Kinetico for their sponsorship in providing matching funds for all monies raised by trap during this shoot.

Come on out and break a few claybirds with us, we'd love to see you.

David Lawhon

## Elka King - Pistol

We have been having a great time at the Pistol Range and are looking forward to the coming month! Thank you, Mike Sisk, Roger Smith, Rick Watkins and Tom Smith for standing against the wind and putting up great stages for the Rifle/Shotgun match! We've had great turnouts for our matches with lots of regulars and many new folks; who, we hope, will become regulars and bring more new folks.

In May, we will be having USPSA the first Saturday at 11AM running through twice. The third Saturday, we will have Steel Challenge, starting at 10AM with shooters' meeting at 9:45AM. We will start set-up at

8:45 if you would like to help. We will shoot through twice this month if anyone wants to shoot two different guns. The price for two guns will be \$8. If you are just getting into pistol shooting and would like to try something fun, Steel Challenge is a great place to start. The fourth Saturday will be IDPA at 11AM and it is always a fun time!

Thank you to all who work tirelessly to make our matches run smoothly. We could not do this without you!

Please call me or email if you have any questions.

See you at the Range,

Elka

## Davy Wotton-Sporting Clays

All is green out there on the range and the targets look good against the new Spring background.

As of the weekend 28th April, a new course has been set to accommodate the Ironman event hosted between Twin Lakes and Ozarkshooters Branson. If you are not competing in the event; you may wish to test your skills against some of the targets I have set, which, in some cases, are very testy.

The next major event we host will be the Tyson Phillips benefit event May 12th. It will be a fun day

with not so difficult targets in aid of supporting medical expenses that Tyson has to deal with during his serious illness. The latest report I have is he is doing well.

Thursday evening 5 stand continues to be a popular event. For those of you who are able to get to the range around 4:30 and pair up to shoot, this will help a great deal to get all shooters through before dusk. Our next NSCA event will be June 16th.

See the bird break the bird.

Davy

## Len Curtiss- Skeet

There will be a sign-up sheet for the next Skeet League which begins May 16th. There will be a meeting on Wed., May 2nd, at 9AM.

The Spring Skeet League will be finished on May 2nd. We had six teams with 30 shooters participate.

Thanks, Len
